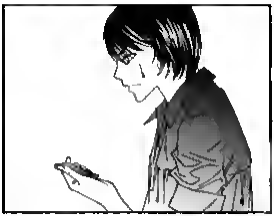
Last Waltz
The Place Where
Birds Return To



SFX: TOUCH

I've been looking for you for a long time!
I said that I was going to wait in front of the departure counter.
How could I find it? I came here only once and that was two years ago.

Then why did you say that you had it covered in the first place? You said it yourself that you knew where it was!
I thought that I was going to find you quickly! You should have been in front of the entry!
Why should I stand there like I was waiting for an amazing person to appear? Did you get hired by the government or something?
You should have called me! I told you my phone number. It's new.
My phone doesn't have roaming and I don't have Korean money--
Roaming is too expensive.
Go and buy me a coffee. I don't have Korean money so I'll pay you back in euros.
Se Gyem I'm sleepy. I'm also feeling tired because of the jet lag.
She will never change. People never change!
There could be new waterways in the scenery all over Korea, but people never change.

I am going to ignore the exchange rate. I will buy it if it's one to one, and you have to pay in advance
Let's see if you have the courage to give me four thousand euros
Wow, I see a robber. I'm wide awake now.
Inside the bag?
There are gifts and a few cooking ingredients. I didn't bring that many clothes.
I'm only going to stay here for a week.
Sun Yi told me that I should wear her clothes and told me to empty my bag so I can bring gifts for her.
What did she want you to buy?

A branded bag
She sent me money
explaining something
about new bags.
She spends a lot
of money these days
She even bought a car
It's secondhand,
though
Really?
Did she sell
some land?
I don't know
I was scared to ask
her how a student
could earn so
much money
I was scared of getting involved with her
When you arrive
home, you try asking
her Everybody is
waiting
No, I want to
just ignore it
as well
But why are they at
home? Sun Yi told me
that she will be at
the airport
I told them
not to come
I wanted to
come alone

Have you been well?
Did anything happen?
I'm reporting everything daily on messenger. Why are you still asking me?
I thought that you might still have something you wanted to talk about
You are going to university. Pretty girls are coming at you in groups.

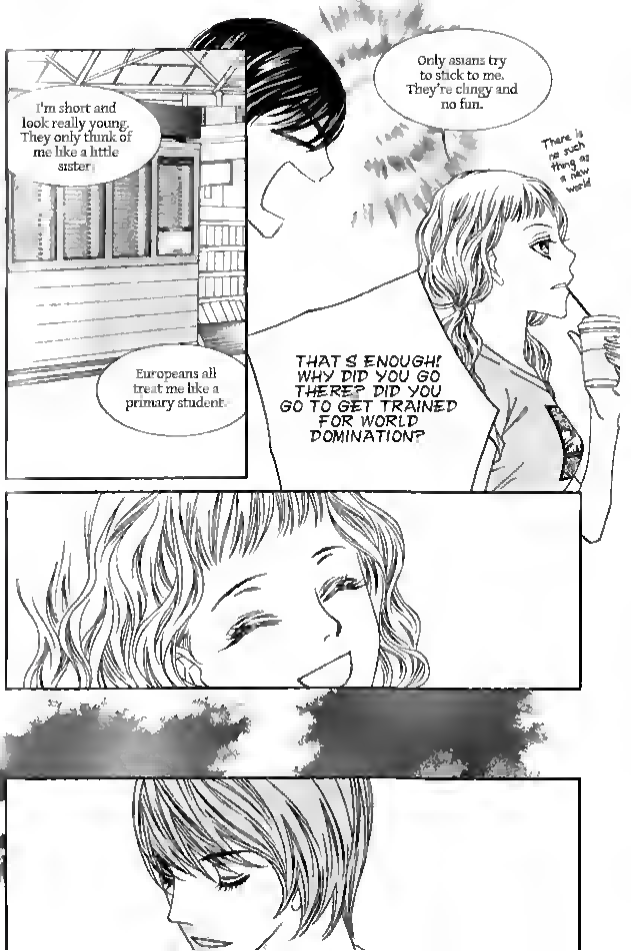
You did well to bring that up.
I let a colleague of mine who looks like Sandara Gwak pass by.
I rejected a rich senior who has so much money, she uses money when she needs fire for ramen.
And there were a lot of other small things, too.
Ah...
You really have to pay back this debt. I don't know what it was about her but that girl who looked like Sandara Gwak made me cry tears of blood.
Is he talking about a foreign student?
Her name is
You should know that you are committing a crime against me.
Wow. I feel really bad. I'm not popular there at all.



I'm short and look really young. They only think of me like a little sister.
Europeans all treat me like a primary student.
Only asians try to stick to me. They're clingy and no fun.
There is no such thing as a new world
THAT'S ENOUGH! WHY DID YOU GO THERE? DID YOU GO TO GET TRAINED FOR WORLD DOMINATION?

I'm studying hard.
Really
I think I can finish studying in three or three and a half years instead of four
You are more admirable now than the last time I saw you.
You really did try hard and used your head
Yes..So,

When I
come back,
wait for me
until I come back.
Let's always
be together.
